DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important* comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. (a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelqut effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Tuesday, the 25th day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS, in order to protect Canada from the spread of the Gypsy Moth prevalent in certain parts of the United States of America, the Regulations under The Destructive Insect and Pest Act, established by Order in Council, dated 27th February, 1911, were amended, by Order in Council, dated 10th December, 1912, by adding thereto a regulation numbered "17";

And whereas the Dominion Entomologist has reported that he is of the opinion that until the Gypsy Moth actually reaches and is found to occur in the State of Vermont, it is unnecessary that that State should be scheduled,—

Therefore the Governor General in Council is pleased to order as follows:—

Regulation No. 17 under The Destructive Insect and Pest Act, established by Order in Council, dated 10th December, 1912, is hereby amended by expunging the word "Vermont" therefrom.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 6th day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS by clauses nineteen and twenty of The Dominion Lands Act which Act came into force 1st September, 1908, provision was made concerning the cases of deceased and insane homesteaders, relieving the legal representatives of the residence requirement and making certain other provisions;

And whereas The Dominion Lands Act does not apply to the Railway Belt of British Columbia, which is governed by the "Regulations for the disposal of Dominion Lands within the Railway Belt in the Province of British Columbia," established by Order in Council of 17th September, 1889, and amendments thereto, and the legal representatives of deceased and insane homesteaders have not the relief accorded to similar cases on the Prairies;

And whereas it is considered necessary and in the public interest that the said provisions should apply in the said Railway Belt,—

Therefore the Governor General in Council is pleased to order as follows:—

The regulations for the disposal of Dominion land within the Railway Belt in the Province of British Columbia, hereinbefore referred to, are hereby amended to provide that all cases of deceased and insane homesteaders in the said Railway Belt shall be dealt with in accordance with the following provisions, namely:—

Deceased Homesteaders.

In the event of the death of an entrant for a homestead before the completion of the requirements for the obtaining of letters patent therefor, his legal representative shall only be required to fulfil the cultivation conditions and to erect a habitable house in order to entitle him to obtain letters patent, after the expiration of three years from the date of entry or commencement of the homesteader's residence; or the legal representative may assign the homestead to a person eligible to obtain a homestead entry; and the assignee shall, after (a) the expiration of three years from the date of entry or commencement of the homesteader's residence (b) holding the homestead for his own exclusive use and benefit from the date of the assignment, and (c) completing the residence and cultivation requirements in

the same manner as the person who made the entry would have been required to complete them, be entitled to letters patent for the homestead.

Insane Homesteaders.

In the event of any person who obtained entry for a homestead becoming insane or mentally incapable, and by reason of such insanity or mental incapacity, unable to complete the requirements necessary for the obtaining of letters patent therefor, the guardian or committee of the said person, or any person who, in the event of his death, would be entitled as his legal representative to do so, shall only be required to fulfil the cultivation conditions and to erect a habitable house before the issue of letters patent; provided that the letters patent shall not issue until the expiration of three years from the date of entry or commencement of the homesteader's residence.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Governor General in Council, in virtue of the provisions of section 34 of The Dominion Lands Act, is pleased to fix and prescribe the following regulations to govern the sale of lands for irrigation purposes within the tract hereunder defined, the same to be substituted for and to supersede the existing regulations:—

REGULATIONS FOR THE SALE OF LAND REQUIRED IN CONNECTION WITH ANY SYSTEM OF IRRIGATION.

1. The sale of land for reclamation by means of irrigation, or in connection with any system of irrigation works, shall be confined to land within the following described territory:—

Comprising that portion of the Province of Alberta which lies to the south of the north boundary of townships numbered twenty-eight (28).

Comprising that portion of the Province of Saskatchewan described as follows, viz.:—

Commencing at the intersection of the north boundary of township 28 with the fourth meridian; thence easterly following the north boundary of townships numbered 28 to the west bank of the South Saskatchewan river; thence southerly along the said west bank of the South Saskatchewan river to a point opposite Aiktow creek; thence across the said South Saskatchewan river to the mouth of the said Aiktow creek; thence up the southerly side of Aiktow creek and across the divide between the said creek and the Qu'Appelle river to the head of the said Qu'Appelle river; thence down the southerly side of the Qu'Appelle river to its intersection with the third meridian; thence southerly along the said third meridian to the north boundary of township 12; thence easterly along the north boundary of townships numbered 12 to the west boundary of range 24, thence southerly along the said west boundary of range 24, to the north boundary of township 8; thence easterly along the north boundary of townships numbered 8 to the west boundary of range 18; thence southerly along the said west boundary of range 18 to the north boundary of township 4; thence easterly along the north boundary of townships numbered 4 to the west boundary of range 15; thence southerly along the west boundary of range 15 to the international boundary; thence westerly along the said international boundary to the fourth meridian; thence northerly along the fourth meridian, to the point of commencement.

2. Lands within the tract described in paragraph one (1) may be sold for irrigation purposes on the following terms and conditions:—

(a) No agreement for sale shall be made unless the purchaser shall have received authorization for the

construction of works for the irrigation of such proportion of the lands so purchased as may be satisfactory to the Minister of the Interior, and in accordance with the condition set forth in clauses (b) and (c) of these regulations.

(b) It shall be a condition of all sales made under these regulations that at least fifty per cent (50%) of the area sold shall be irrigated; provided, however, that when the area sold does not exceed one quarter section, the minimum area to be irrigated shall be twenty-five per cent (25%) of the tract sold, but no such sale shall be made to any person who owns or holds under homestead or pre-emption entry in excess of one quarter section of land within twenty (20) miles of the land which he applies to purchase under these regulations, and only one such sale may be made to any one person.

(c) Sales of areas in excess of one section may be made only upon the authority of the Governor-General in Council, and in such cases such additional conditions will be made as may be in the public interest in each case.

(d) All sales shall be at the rate of five dollars (\$5.00) per acre, payable in five equal annual instalments, the first of which shall become due and payable sixty days from the date upon which the sale is authorized. Interest at five per cent (5%) per annum will be charged from the date of the sale.

(e) It shall be a condition of all sales that the irrigation works shall be completed to the satisfaction of the Minister of the Interior and that the lands shown as irrigable shall actually be irrigated for at least one season before letters patent are issued.

(f) If at the end of the period which may be granted for the construction of the irrigation works, such works have not been completed, the agreement to sell the lands may be cancelled and any amount paid on account thereof, or works constructed in connection with such irrigation system, may be forfeited to the Crown.

3. All applications for water rights for irrigation purposes must be made to the Commissioner of Irrigation, at Calgary, Alberta, and such applications must be accompanied by a description of the lands applied for in connection with such water rights.

4. All applications for the purchase of lands for irrigation purposes under these regulations must be made to the Agent of Dominion Lands for the district in which such lands are situated.

BRITISH COLUMBIA.

(16) FRASER RIVER—NEW WESTMINSTER—RAILWAY SWING BRIDGE—REGULATIONS GOVERNING THE OPENING AND CLOSING OF THE SWING SPAN.

The Board of Railway Commissioners for Canada has issued regulations governing the operation of the swing span of the railway bridge across the Fraser river at New Westminster, as follows:—

Order No. 18626.

THE BOARD OF RAILWAY COMMISSIONERS FOR CANADA.

Thursday, the 6th day of February, A.D. 1913.

H. L. DRAYTON, K.C.,

Chief Commissioner.

S. J. McLEAN,

Commissioner.

IN THE MATTER of the application of the Minister of Railways for the Province of British Columbia, under subsection 2 of section 232 of The Railway Act, for an order directing that the pivotal span in the railway bridge over the Fraser River, at New Westminster, in the Province of British Columbia, be opened only for the passage up or down the river of such ships, barges, boats or other vessels as cannot, by the adoption of a hinge or similar device, lower their smokestacks, funnels, masts, flagstaffs, or other similar erections and pass under the bridge without the pivotal span thereof being opened.

File 17266.

Upon the hearing of the application at the sittings of the Board held in the City of Vancouver on the 21th and 29th days of July, and the 28th day of November, 1912, the applicant, the British Columbia Electric Railway Company, and the Canadian Western Lumber Company, Limited, being represented by counsel at the hearing, and what was alleged; and upon the reading of what has been submitted in writing in support of the application and on behalf of the interests opposed to the granting of the order,—

It is ordered that the following regulations governing the opening and closing of the pivotal span of the said railway bridge over the Fraser river, at New Westminster, filed by the applicant, and consented to by the parties in interest, be, and they are hereby, approved and adopted, namely:

The operation of the pivotal or swing span of the railway bridge across the Fraser river at New West-

minster, shall be under the direct control of the superintendent of the bridge, who shall be governed by the following regulations in the operation of the same:—

1. The signal to be given by a steamer to have the swing opened shall be three long blasts of the whistle.

2. The span shall be opened with the least possible delay upon receiving the prescribed signal, excepting where there is a train actually within the "home signals" of the interlocking system, or in motion towards the bridge between the "distant" and the "home" signals, and then not until after the train has passed and is clear of the "home" signals at the opposite end of the bridge: Provided, however, that where two trains are approaching the bridge within the "distant signals" at the time when a signal is given by a vessel, as hereinafter provided for, a train of a superior class shall have preference over a train of an inferior class, and shall be permitted to cross the bridge, and the train of the inferior class shall be held until the said vessel giving the signal before mentioned passes through the bridge and the swing span is again closed.

3. On the top of the steel work of the swing span, at a point about fifty feet north of the Tower House, there shall be erected a double arm semaphore signal, the pole of which shall be painted white, and the arms painted orange-yellow. This semaphore shall be fitted for night signals with spectacle castings and lamp, one to display a red light and the other a green light.

3 (a). The normal position of this signal shall be, "bridge closed," that is to say, in the daytime the arms shall extend at right angles to the pole facing up and down the stream; at night the signal, "bridge closed," shall be indicated by the red spectacle light.

3 (b). In the daytime the signal, "bridge opening," shall be indicated by the arms of the semaphore in the upper quadrant, that is to say, in the vertical position; at night the signal, "bridge opening," shall be indicated by the green spectacle light.

3 (c). In thick and foggy weather the signal from the bridge shall be a fog horn blown in the manner following: (1) In answer to a signal from any boat and as a signal for "bridge closed," two long blasts of the fog horn shall be blown and repeated at intervals of ten seconds; (2) when the bridge is ready to be opened, and as a signal for "bridge opened," three long blasts of the fog horn shall be blown and repeated at intervals of ten seconds, and continue until the vessel has passed through and is clear of the bridge. This signal is not to be confused with the fog signals described in paragraph 8 hereof.

4. The said span shall be opened only for the passage up and down the river of all such ships, barges, boats, or other vessels as cannot, by the adoption of a hinge or similar device, lower their smokestacks, funnels, masts, flagstuffs, or other similar erections and pass under any portion of the said bridge when the Pivotal Span thereof is closed.

5. The failure to comply with these regulations by any ship, barge, boat or other vessel after one warning by the Bridge Superintendent, shall be a sufficient cause for a refusal to open the swing span for the accommodation of such ship, barge, boat or other vessel; but the Captain or Master of the said ship, barge, boat, or other vessel may enter a protest in writing to the Bridge Superintendent, and this protest shall be referred by the Superintendent to the Harbour Master, and the Superintendent and the Harbour Master together shall, after hearing the parties concerned, and within one week from the date of the protest, render a decision and give directions concerning the matter of the protest as they may deem fit; and until such decision is given, or direction rendered, the Bridge Tender shall open the swing span for the purpose of allowing the said ship, barge, boat, or other vessel to pass through.

6. Notwithstanding anything in these regulations contained, the operation of the Swing Span of this bridge shall be at all times under the control and direction of the Bridge Tender, who may, in his discretion, stop a train and block or otherwise direct traffic either across the bridge or on the water in such manner as, in his opinion, may best suit the exigencies

of any particular case or set of circumstances demanding or calling for any alteration or deviation from these Rules. No ship, barge, boat, or other vessel shall attempt to pass through the said Bridge Span until they have received from the Bridge Tender the necessary signals instructing them that the passage is clear.

7. There shall be erected and maintained at each end of the Swing Span protection in the said bridge in such a position as can be seen by vessels approaching the bridge from both up and down the river, an automatic gauge, which shall indicate at all stages of the tide the clearance between the level of the water and the under-side of the lowest member of the structure.

8. In thick and foggy weather, a fog signal shall be continuously sounded from the bridge, and the sound thereof shall be distinct from the signals referred to in subsection (c) of clause 3 hereof.

9. These Regulations to become effective on and after the thirty-first day of May, A.D. 1913.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

ATTENDU que les dispositions des articles 19 et 20 de la *Loi des terres fédérales*, mise en vigueur le 1er septembre 1908, pourvoient aux cas de décès ou d'aliénation mentale des personnes inscrites pour des homesteads, exemptant leurs représentants légaux de l'obligation de résidence et faisant certaines autres stipulations;

Et attendu que la *Loi des terres fédérales* ne s'applique pas à la zone des chemins de fer de la Colombie-Britannique, qui est régie par les "Règlements concernant la vente des terres dans la zone des chemins de fer de la Colombie-Britannique", établis par un arrêté en conseil du 17 septembre 1889, et par les modifications qui y ont été faites, et que les représentants légaux des personnes décédées ou frappées d'aliénation mentale inscrites pour des homesteads ne jouissent pas de l'exemption accordée dans les mêmes cas dans les provinces des prairies;

Et attendu qu'il est jugé nécessaire et de l'intérêt public que les dites stipulations s'appliquent à la dite zone des chemins de fer;

Par conséquent, il plaît au Gouverneur général en conseil de décréter ce qui suit :

Les règlements ci-dessus mentionnés régissant la vente des terres fédérales dans la zone des chemins de fer de la province de la Colombie-Britannique sont par les présentes modifiés en y stipulant que les cas de décès et d'aliénation mentale des personnes inscrites pour des homesteads dans la dite zone des chemins de fer seront traités conformément aux stipulations suivantes, savoir :

Inscrits décédés.

habitable pour qu'il ait droit d'obtenir, à l'expiration de trois années après la date de l'inscription ou du commencement de la résidence de l'inscrit, des lettres patentes pour le dit fonds; ou bien le représentant légal peut céder le homestead à toute personne qui a droit d'obtenir une inscription de homestead; et le cessionnaire (a) après l'expiration de trois années de la date de l'inscription de homestead ou du commencement de la résidence de l'inscrit, (b) après avoir possédé le homestead pour son compte et à son avantage exclusif à compter de la date de la cession, et (c) après avoir achevé de remplir les conditions de résidence et de culture de la même manière que la personne qui a obtenu l'inscription aurait eu à y satisfaire, aura droit aux lettres patentes pour le homestead.

Inscrits aliénés.

Si un inscrit devient aliéné ou mentalement incapable, et, pour cause de cette aliénation ou incapacité mentale, dans l'impossibilité d'achever de remplir les conditions nécessaires pour obtenir les lettres patentes pour le fonds qui fait l'objet de son inscription, il sera simplement exigé du curateur ou du curateur aux biens de cet inscrit, ou de quiconque, à la mort de ce dernier, aurait droit de ce faire en sa qualité de représentant légal du dit inscrit, qu'il remplisse les conditions relativement à la construction d'une maison habitable et à la culture avant l'émission des lettres patentes; mais celles-ci ne seront pas délivrées avant l'expiration de trois années à compter de la date de l'inscription ou du commencement de la résidence de l'inscrit.

RÈGLEMENTS RÉGISSANT LA VENTE DES TERRES
REQUISES POUR LES FINS D'IRRIGATION.

1. La vente de terres pour le dessèchement au moyen de l'irrigation, ou pour l'établissement d'un système d'irrigation, est limitée au territoire ci dessous décrit, savoir :

Comprenant cette partie de la province d'Alberta située au sud de la borne nord des townships numérotés (28).

Comprenant cette partie de la province de la Saskatchewan décrite comme suit, savoir :

Commençant à l'intersection de la borne nord du township 28 avec le 4e méridien; de là vers l'est suivant la borne nord des townships numérotés 28 jusqu'à la rive ouest de la rivière Saskatchewan-Sud; de là vers le sud le long de la dite rive ouest de la rivière Saskatchewan-Sud jusqu'à un point vis-à-vis Aiktow Creek; de là croisant la dite rivière Saskatchewan-Sud jusqu'à l'embouchure du dit Aiktow Creek; de là en remontant la rive sud de Aiktow Creek et croisant la ligne de division entre le dit creek et la rivière Qu'Appelle jusqu'à la tête de la dite rivière Qu'Appelle; de là descendant le côté sud de la rivière Qu'Appelle jusqu'à son intersection avec le troisième méridien; de là vers le sud le long du dit troisième méridien jusqu'à la limite nord du township 12; de là vers l'est le long de la limite nord des townships numérotés 12 jusqu'à la limite ouest du rang 24; de là vers le sud le long de la dite limite ouest du rang 24 jusqu'à la limite nord du township 8; de là vers l'est le long de la limite nord des townships numérotés 8 jusqu'à la limite ouest du rang 18; de là vers le sud le long de la dite limite ouest du rang 18 jusqu'à la limite nord du township 4; de là vers l'est le long de la limite nord des townships numérotés 4 jusqu'à la limite ouest du rang 15; de là vers le sud le long de la limite ouest du rang 15 jusqu'à la frontière internationale; de là vers l'ouest le long de la dite frontière internationale jusqu'au quatrième méridien; de là vers le nord le long du quatrième méridien jusqu'au point de départ.

2. Les terres situées dans la région décrite au paragraphe un (1) peuvent être vendues pour des fins d'irrigation aux conditions suivantes :—

(a) Nulle convention de vente ne sera conclue que dans le cas où l'acquéreur aurait été autorisé à entreprendre des travaux pour l'irrigation d'une étendue des terres ainsi achetées que le Ministre de l'Intérieur trouvera suffisante, et conformément aux conditions prescrites dans les clauses b et c des présents règlements.

(b) Une des conditions de toutes les ventes faites sous l'empire des présents règlements est qu'au moins cinquante (50) pour cent du terrain vendu soit irrigué; mais quand la superficie du terrain vendu n'excède pas un quart de section l'étendue qui devra être irriguée sera d'au moins vingt-cinq (25) pour cent du terrain vendu. Aucune vente de ce genre ne sera faite à quiconque possède, ou occupe par droit d'inscription de homestead ou de préemption, plus d'un quart de section situé à moins de vingt milles du terrain qu'il demande d'acheter sous l'empire des présents règlements, et il ne peut être fait qu'une seule de ces ventes à une même personne.

(c) Il ne peut être vendu de terrain dont l'étendue excède une section que par autorisation du Gouverneur général en conseil, et dans chacun de ces cas on imposera les conditions additionnelles qu'on jugera de l'intérêt public de prescrire.

(d) Toutes les ventes se feront au taux de cinq (\$5) piastres l'acre, payable en cinq versements annuels

égaux, dont le premier écherra et sera payable soixante jours à compter du jour où la vente a été autorisée. Un intérêt au taux de cinq pour cent par année sera chargé à compter de la date de la vente.

(e) Toutes les ventes porteront comme condition que les travaux d'irrigation seront complétés à la satisfaction du Ministre de l'Intérieur, et que les terres désignées comme irrigables seront réellement irriguées durant une saison au moins avant que des lettres patentes soient émises.

1. Le locataire d'une concession pour l'extraction de l'argile réfractaire érigera, dans les deux ans de la date du bail, sur les terrains qui y sont décrits ou sur des terrains approuvés par le Ministre, un outillage pour la fabrication de la brique ou autres produits de l'argile réfractaire et, dans le même délai, fournira la preuve par affidavit de la nature et de la valeur de l'outillage installé et de la date de l'installation.

ATTENDU que dans le but de protéger le Canada contre la propagation de la spongieuse qui infeste certaines parties des Etats-Unis d'Amérique, les règlements établis par un arrêté en conseil du 27 février 1911, sous l'empire de la *Loi à l'effet de prévenir l'introduction ou la diffusion d'insectes destructeurs et autres fléaux et maladies de la végétation*, ont été amendés par un arrêté en conseil du 10 décembre 1912, en y ajoutant le règlement n° "17" ;

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |

| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelquel effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

"Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.—

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Clerk of the Privy Council.

[408]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 22nd day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS Dr. R. G. Brett, of Banff, Alberta, has applied for the privilege of bottling the water of the Hot Sulphur Springs at Banff and of disposing of the same and of erecting a plant for the carrying on of this industry on lots 1 and 2, in Range 8, in the town-site of Banff, as shown on a plan of villa lots, sheet No. 2, approved and confirmed by Edouard Deville, on the 16th October, 1889 ;

And whereas it is provided under section 18 of The Forest Reserves and Parks Act, 1911, that the Governor in Council may make regulations for the leasing for any term of years of such parcels of land in the parks as he deems advisable in the public interest for the construction of buildings and for purposes of trade and industry,—

Therefore the Governor General in Council is pleased to order as follows :—

Dr. R. G. Brett, of Banff, Alberta, is hereby granted the privilege of bottling the water of the Hot Sulphur Springs at Banff and of disposing of the same and of erecting a plant for the carrying on of this industry on the lands above mentioned, for a period of twenty-five years from the first day of April, 1913, subject to the following provisos and conditions :—

1. That the rights hereby authorized shall be subject to the requirements of the Government at any time with respect to a supply of hot water for its bath-houses or any other purposes and shall also be subject to any grants of hot water which the Department of the Interior shall have made prior to the granting of these rights.

2. That the said Department shall have the right to regulate, in accordance with the flow of the springs at various seasons of the year, the amount of water to be used.

3. That the hot water allotted to the lessee, shall be used for bottling purposes and concentration and for no other purpose without the consent of the Minister of the Interior in writing.

4. That the lessee shall, within one year from the first day of April, 1913, erect a suitable building and instal machinery of a minimum capacity of two hundred car loads of the bottled product yearly.

5. That the building or buildings so to be erected shall be of artistic design approved by the Superintendent of the Park and shall be constructed and maintained in a manner satisfactory to the Superintendent.

6. That the plant shall be operated at all times in such a manner as not to create a nuisance or annoyance, the Minister of the Interior to be the final judge in all such matters.

7. That the lessee shall erect and maintain all fences, screens or other structure that may be deemed necessary by the Superintendent in connection with the protection of the interests of the park or of the public.

8. That each year the production of bottled water or its equivalent in concentrates by the lessee shall constitute such a proportion of the total capacity of the plant erected as the Minister of the Interior may require.

9. That a royalty of one-half cent per gallon, or its equivalent if the water is concentrated, shall be paid to the Crown by the lessee on all water supplied, such payment of royalty to commence from the first day of January, 1915.

10. That the lessee shall furnish the Department of the Interior with sworn quarterly returns, showing all operations carried on, and shall make payments of the royalties due on such operations on the 31st day of December, the 31st day of March, the 30th day of June, and the 30th day of September of each year.

11. That for the purpose of calculating the royalty to be collected, the said Department shall have access at all times to all books and records of the lessee.

12. That the lessee shall not assign the lease of the land in question, or of any of the rights hereby author-

ized, without the consent in writing of the Minister of the Interior.

13. That on failure on the part of the lessee to promptly carry out the reasonable instructions of government officers in respect of the rights hereby authorized, the said Minister may discontinue the supply of water to the lessee.

14. That violation of any of the provisions of this contract shall render the rights herein granted liable to cancellation.

RODOLPHE BOUDREAU,

37-4

Clerk of the Privy Council.

[434]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of March, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 20th February, 1913, that title to the fractional E. $\frac{1}{2}$ of Section 34, Township 48, Range 22, west of the Second Meridian, was, by letters patent bearing date the 17th September, 1901, vested in Mrs. Elizabeth Jackson in her capacity of personal representative of her late husband, Thomas G. Jackson, he having made military homestead entry therefor.

The Minister further states that,—as Mr. Jackson, prior to survey, located certain improvements on the fractional N.W. $\frac{1}{4}$ of the said Section 34, lying north of the river, and that certain portions of the E. $\frac{1}{2}$ of the said Section are separated by the south branch of the Saskatchewan River from the remainder,—Mrs. Jackson has applied to be given the said fractional N.W. $\frac{1}{4}$ of Section 34, lying north of the river, in exchange for the said portions which have been revested in the Crown and which may be more particularly described as follows :—

Firstly : all that portion of the north-east quarter of Section 34, in the forty-eighth Township, in the twenty-second Range, west of the Second Meridian, which lies to the east of the right bank of the Saskatchewan River as shown upon a map or plan of survey of the said Township, signed at Ottawa on the twentieth day of June, A.D. 1895, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior and containing by admeasurement eight and eighty hundredths acres, more or less, and

Secondly : all that portion of the east half of said Section thirty-four, which lies to the west of the said right bank of the said river as shown on said plan of survey of the said Township and containing by admeasurement forty-six and twenty hundredths acres, more or less, and as shown coloured green on the sketch hereto attached.

The Minister, being of opinion that the application should receive favourable consideration and the difference in area of 14 acres having been paid for at the rate of \$3.00 an acre, recommends that, under the provisions of subsection (f) of Section 76 of The Dominion Lands Act, an exchange of the parcels in question be authorized and that letters patent be issued to Mrs. Jackson in her capacity of personal representative of her late husband for the said fractional N.W. $\frac{1}{4}$ of Section 34, Township 48, Range 22, west of the Second Meridian, lying north of the river, which land may be more particularly described as follows :—

All that portion of the north-west quarter of Section thirty-four, in the forty-eighth Township, in the twenty-second Range, west of the Second Meridian, which lies to the north of the left bank of the Saskatchewan River as shown upon a map or plan of survey of the said Township, signed at Ottawa, on the twentieth day of June, A.D. 1895, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior and containing by admeasurement sixty-nine acres, more or less, and as shown coloured pink on the sketch hereto attached.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

37-4

Clerk of the Privy Council.

[410]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 22nd day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS on account of an erroneous resurvey of the north boundary of Section 19, Township 26, Range 6, west of the Second Meridian, the owner of the south-east quarter of Section 30 in the said township built his house on the road allowance as established by the original survey ;

And whereas, in order to adjust the matter, the owner of the north-east quarter of section 19 was allowed to relinquish to the Crown in the right of the Dominion, a parcel of land out of his homestead containing 2 acres, sufficient to deflect the original road allowance, so that the said parcel might be conveyed to the Crown in the right of the Province of Saskatchewan for road purposes,—

Therefore the Governor General in Council is pleased to order as follows :—

All that portion of the north-east quarter of Section Nineteen, in the Twenty-sixth Township, in the Sixth Range, west of the Second Meridian, more particularly described as follows :—

“ Commencing at the post and pits defining the north-west corner of the north-east quarter of said Section Nineteen, thence easterly along the north boundary of said Section Nineteen a distance of thirty-nine chains and eighty-five links, more or less, to the north-east corner of said Section Nineteen ; thence southerly along the east boundary of said Section Nineteen a distance of one chain ; thence westerly in a straight line a distance of thirty nine chains and eighty-five links, more or less, to the point of commencement, and containing by admeasurement two acres, more or less, as shown coloured pink on the plan, hereto attached,”— is hereby vested in the Crown in the right of the Province of Saskatchewan, for road purposes.

RODOLPHE BOUDREAU,

37-4 Clerk of the Privy Council.

[435]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 1st day of March, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 20th February, 1913, that certain discrepancies had arisen in connection with the surveys of land Crown granted by the Provincial Government and surveys made by the Dominion Government in Sections 5, 6, 7 and 8, Township 26, E. C. M., in the Municipality of Chilliwack, British Columbia, causing a conflict of interests between a group of eight owners of the ground ;

The Minister further states that investigation of the matter was made by officers of the Department of the Interior with the result that the various parties by mutual arrangement executed some fifteen transfers of fractional pieces of land rectifying the discrepancies between their various holdings ;

That Lewis Arthur Thornton, one of the parties affected, gave up and assigned 3 acres of his land in Legal Subdivision 8 of Section 6, for the purpose of the rectification and it was agreed by the officers of the Department of the Interior conducting the negotiations that in consideration of his doing so he was to receive an available portion of the north-west quarter of Section 4, in the said Township, (being that part of the available portion of the north-west quarter of Section 4 which is south of the extension westerly of the north line of Provincial Lot 439, Group 2), containing an area of approximately 22.91 acres, more or less, title to same to pass to him by way of purchase at one dollar (\$1.00) per acre ;

That the exchange was justified as the 3 acres given up by Mr. Thornton is valuable bottom land and the acreage he is to receive in exchange is of a high altitude and rough and of little value and because it was, in any event, necessary to secure the relinquishment of the 3 acres in order to complete the rectifications mentioned,—

The Minister, therefore, recommends that the said available portion of the north west quarter of Section 4 be sold to Lewis Arthur Thornton at one dollar (\$1.00) per acre.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

37-4 Clerk of the Privy Council.

[427]

AT THE GOVERNMENT HOUSE AT OTTAWA

Saturday, the 22nd day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS application has been made by the Commissioner of Customs for the reservation of one acre of land, comprized in the N. W. $\frac{1}{4}$ of Section 10, Township 1, Range 22, west of the Second Meridian, for the purpose of a site for a Customs House at that point ;

And whereas the Minister of the Interior is of the opinion that the application should receive favourable consideration,—

Therefore His Royal Highness in Council is pleased to order that the land applied for, which is available according to the records of the Department of the Interior, be reserved during pleasure for the purposes of the Department of Customs ; the said land being more particularly described as follows :—

“ Commencing at a point on the south boundary of said quarter Section, distant three hundred and ninety-five feet and sixty-five hundredths of a foot measured easterly along the said south boundary from the south-west corner of the said quarter Section ; thence, northerly and parallel to the said west boundary a distance of two hundred and eight and seven-tenths feet ; thence, easterly and at right angles to the last course a distance of two hundred and eight and seven-tenths feet ; thence, southerly and at right angles to the last course a distance of two hundred and eight and seven-tenths feet, more or less, to the said south boundary ; thence, westerly, following the said south boundary a distance of two hundred and eight and seven-tenths feet, more or less, to the place of commencement, containing by admeasurement one acre, more or less, and as shown coloured pink on a sketch hereto attached.”

37-4 Clerk of the Privy Council.

[166]

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 25th day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 18th January, 1913, that an application has been made by F. W. Anderson, C.E., of Kamloops, British Columbia, to purchase on irrigation conditions certain lands in Townships 21 and 22, Range 17, and Township 22, Range 16, west of the 6th Meridian, comprising an area of 2,229 acres, more or less, and being the lands set out in the accompanying schedule marked “ A ” ;

That the lands applied for have been inspected by the Agent of Dominion Lands, Kamloops, who reported that, without irrigation, they are unsuitable for anything but grazing ;

That the lands applied for have also been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that the lands can best

be developed and cultivated by irrigation and without water are suited only for grazing; that they are partly open grazing lands and partly timbered with pine, and, by a careful application of water by irrigation methods, they may be made to produce excellent forage crops and on some sloping benches fruit could be advantageously grown. He also states that Mr. Anderson's proposition is a *bona fide* one, that his financial backing is good, and that he intends to and is capable of developing the land himself,—

The Minister recommends, in view of these favourable reports, that he be authorized to sell Mr. Anderson the lands set out in schedule "A," hereto attached, on the following conditions:

1. The price of the land to be \$1.00 per acre, the first payment of 25 cents per acre to be made upon notification of sale, and the balance of 75 cents per acre payable upon the satisfactory completion of the irrigation scheme.

2. That at least 35% of the lands sold must be covered by an irrigation system satisfactory to the Minister within two years of notification of the sale, when the lands so covered will be sold.

3. That the remaining lands be covered by an irrigation system to the satisfaction of the Minister within four years from date of sale, when the lands so covered will be sold.

4. That if 35% of the lands are not covered by an irrigation system satisfactory to the Minister, within two years of notification of sale, no further consideration will be given his application and his interest in all the land and the moneys paid in will be forfeited.

The Committee submit the same for approval.

Clerk of the Privy Council.

Composed of *Firstly*: the South-west quarter of Section five in the thirteenth Township, in the fifth Range west of the 4th Meridian, in the Province of Alberta, containing by admeasurement one hundred and sixty acres, more or less, and—

Secondly: all that portion of the east half of said Section five which lies to the west of the west bank of the South Saskatchewan River, as shown upon a map or plan of survey of the said Township, approved and confirmed at Ottawa, on the 27th day of June, A.D. 1885, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior, containing by admeasurement one hundred and seven acres, more or less, the lands hereby granted containing by admeasurement together two hundred and sixty-seven acres, more or less, and as shown coloured pink on the sketch hereto attached.

(16) FRASER RIVER—NEW WESTMINSTER—RAILWAY SWING BRIDGE—REGULATIONS GOVERNING THE OPENING AND CLOSING OF THE SWING SPAN.

The Board of Railway Commissioners for Canada has issued regulations governing the operation of the swing span of the railway bridge across the Fraser river at New Westminster, as follows:—

Order No. 18626.

THE BOARD OF RAILWAY COMMISSIONERS FOR CANADA.

Thursday, the 6th day of February, A.D. 1913.

H. L. DRAYTON, K.C.,
Chief Commissioner.
S. J. McLEAN,
Commissioner.

IN THE MATTER of the application of the Minister of Railways for the Province of British Columbia, under subsection 2 of section 232 of The Railway Act, for an order directing that the pivotal span in the railway bridge over the Fraser River, at New Westminster, in the Province of British Columbia, be opened only for the passage up or down the river of such ships, barges, boats or other vessels as cannot, by the adoption of a hinge or similar device, lower their smokestacks, funnels, masts, flagstuffs, or other similar erections and pass under the bridge without the pivotal span thereof being opened.

File 17266.

Upon the hearing of the application at the sittings of the Board held in the City of Vancouver on the 27th and 29th days of July, and the 28th day of November, 1912, the applicant, the British Columbia Electric Railway Company, and the Canadian Western Lumber Company, Limited, being represented by counsel at the hearing, and what was alleged; and upon the reading of what has been submitted in writing in support of the application and on behalf of the interests opposed to the granting of the order,—

It is ordered that the following regulations governing the opening and closing of the pivotal span of the said railway bridge over the Fraser river, at New Westminster, filed by the applicant, and consented to by the parties in interest, be, and they are hereby, approved and adopted, namely:

The operation of the pivotal or swing span of the railway bridge across the Fraser river at New West-

minster, shall be under the direct control of the superintendent of the bridge, who shall be governed by the following regulations in the operation of the same :—

1. The signal to be given by a steamer to have the swing opened shall be three long blasts of the whistle.

2. The span shall be opened with the least possible delay upon receiving the prescribed signal, excepting where there is a train actually within the "home signals" of the interlocking system, or in motion towards the bridge between the "distant" and the "home" signals, and then not until after the train has passed and is clear of the "home" signals at the opposite end of the bridge: Provided, however, that where two trains are approaching the bridge within the "distant signals" at the time when a signal is given by a vessel, as hereinafter provided for, a train of a superior class shall have preference over a train of an inferior class, and shall be permitted to cross the bridge, and the train of the inferior class shall be held until the said vessel giving the signal before mentioned passes through the bridge and the swing span is again closed.

3. On the top of the steel work of the swing span, at a point about fifty feet north of the Tower House, there shall be erected a double arm semaphore signal, the pole of which shall be painted white, and the arms painted orange-yellow. This semaphore shall be fitted for night signals with spectacle castings and lamp, one to display a red light and the other a green light.

3 (a). The normal position of this signal shall be, "bridge closed," that is to say, in the daytime the arms shall extend at right angles to the pole facing up and down the stream; at night the signal, "bridge closed," shall be indicated by the red spectacle light.

3 (b). In the daytime the signal, "bridge opening," shall be indicated by the arms of the semaphore in the upper quadrant, that is to say, in the vertical position; at night the signal, "bridge opening," shall be indicated by the green spectacle light.

3 (c). In thick and foggy weather the signal from the bridge shall be a fog horn blown in the manner following: (1) In answer to a signal from any boat and as a signal for "bridge closed," two long blasts of the fog horn shall be blown and repeated at intervals of ten seconds; (2) when the bridge is ready to be opened, and as a signal for "bridge opened," three long blasts of the fog horn shall be blown and repeated at intervals of ten seconds, and continue until the vessel has passed through and is clear of the bridge. This signal is not to be confused with the fog signals described in paragraph 8 hereof.

4. The said span shall be opened only for the passage up and down the river of all such ships, barges, boats, or other vessels as cannot, by the adoption of a hinge or similar device, lower their smokestacks, funnels, masts, flagstuffs, or other similar erections and pass under any portion of the said bridge when the Pivotal Span thereof is closed.

5. The failure to comply with these regulations by any ship, barge, boat or other vessel after one warning by the Bridge Superintendent, shall be a sufficient cause for a refusal to open the swing span for the accommodation of such ship, barge, boat or other vessel; but the Captain or Master of the said ship, barge, boat, or other vessel may enter a protest in writing to the Bridge Superintendent, and this protest shall be referred by the Superintendent to the Harbour Master, and the Superintendent and the Harbour Master together shall, after hearing the parties concerned, and within one week from the date of the protest, render a decision and give directions concerning the matter of the protest as they may deem fit; and until such decision is given, or direction rendered, the Bridge Tender shall open the swing span for the purpose of allowing the said ship, barge, boat, or other vessel to pass through.

6. Notwithstanding anything in these regulations contained, the operation of the Swing Span of this bridge shall be at all times under the control and direction of the Bridge Tender, who may, in his discretion, stop a train and block or otherwise direct traffic either across the bridge or on the water in such manner as, in his opinion, may best suit the exigencies

of any particular case or set of circumstances demanding or calling for any alteration or deviation from these Rules. No ship, barge, boat, or other vessel shall attempt to pass through the said Bridge Span until they have received from the Bridge Tender the necessary signals instructing them that the passage is clear.

7. There shall be erected and maintained at each end of the Swing Span protection in the said bridge in such a position as can be seen by vessels approaching the bridge from both up and down the river, an automatic gauge, which shall indicate at all stages of the tide the clearance between the level of the water and the underside of the lowest member of the structure.

8. In thick and foggy weather, a fog signal shall be continuously sounded from the bridge, and the sound thereof shall be distinct from the signals referred to in subsection (c) of clause 3 hereof.

9. These Regulations to become effective on and after the thirty-first day of May, A.D. 1913.

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

SON ALTESSE ROYALE EN CONSEIL.

ATTENDU que le Docteur R. G. Brett, de Banff, Alberta, a demandé le privilège d'embouteiller et de vendre l'eau des sources sulfureuses thermales de Banff, et d'ériger un établissement pour l'exploitation de cette industrie sur les lots 1 et 2, rang 8, dans l'emplacement de ville de Banff, ainsi qu'indiqué sur un plan des lots de villas, feuille n° 2, approuvé et confirmé par Edouard Deville le 16 octobre 1889 ;

Et attendu que l'article 18 de la Loi des réserves forestières et des parcs fédéraux, 1911, stipule que le Gouverneur en conseil peut faire des règlements pour le louage pour tout terme d'années de tels lopins de terre dans les parcs qu'il juge à propos, dans l'intérêt public, pour la construction de bâtiments et pour des fins commerciales et industrielles,—

Par conséquent, il plaît au Gouverneur général en conseil de décréter ce qui suit :

Le privilège est par ces présentes accordé au Docteur R. G. Brett, de Banff, Alberta, d'embouteiller et de vendre l'eau des sources sulfureuses thermales de Banff et de construire un établissement pour l'exploitation de cette industrie sur les terrains ci-dessus mentionnés, pendant une période de vingt-cinq ans à partir du 1er jour d'avril 1913, subordonné aux stipulations et conditions suivantes :

1. Les droits accordés par ces présentes seront en tout temps subordonnés aux exigences du gouvernement en ce qui concerne l'approvisionnement d'eau thermale pour ses établissements balnéaires ou autres fins, ainsi qu'aux concessions d'eau thermale que peut avoir fait le Ministère de l'Intérieur avant que ces droits aient été accordés.

2. Le dit Ministère a le droit de déterminer, d'après la quantité d'eau dans les sources à différentes saisons de l'année, la quantité d'eau qui sera employée.

3. L'eau thermale accordée au locataire servira à l'embouteillage et la concentration, et à aucune autre fin sans le consentement écrit du Ministre de l'Intérieur.

4. Le locataire érigera, dans le cours de l'année qui suivra le 1er avril 1913, un bâtiment convenable et installera des machines d'une capacité annuelle d'au moins deux cents chargements de wagon du produit embouteillé.

5. Les constructions seront érigées d'après un plan artistique approuvé par le surintendant du parc et seront entretenus à la satisfaction du surintendant.

6. L'exploitation se fera en tout temps de manière à ne créer aucune nuisance ou embarras, le Ministre de l'Intérieur étant le juge en dernier ressort dans toutes ces questions.

7. Le locataire érigera et entretiendra toutes clôtures, tous abris ou autres constructions que le surintendant du parc peut juger nécessaire pour la protection des intérêts du parc et du public.

8. Chaque année la production par le locataire d'eau embouteillée ou son équivalent en concentrés constituera telle proportion de la capacité totale de l'établissement que le Ministre de l'Intérieur exigera.

9. Le locataire paiera à la Couronne, sur toute eau fournie, un droit d'un demi-cent le gallon, ou son équivalent si l'eau est concentrée, le paiement de ce droit devant commencer le 1er jour de janvier 1915.

10. Le locataire présentera au Ministère de l'Intérieur des rapports trimestriels assermentés indiquant toutes les opérations et fera les paiements des droits dus sur ces opérations le 31 décembre, le 31 mars, le 30 juin et le 30 septembre de chaque année.

11. Afin de calculer les droits à percevoir le dit Ministère aura accès en tout temps aux livres et papiers du locataire.

12. Le locataire ne peut céder le bail du terrain en question ou les droits accordés par ces présentes sans le consentement écrit du Ministre de l'Intérieur.

13. Le Ministre peut cesser de fournir l'eau au locataire dès que ce dernier néglige de se conformer promp-

tement aux instructions raisonnables des fonctionnaires du gouvernement en ce qui concerne les droits conférés par ces présentes.

14. Toute infraction des dispositions de ce contrat rendra les droits accordés par ces présentes sujets à annulation.

ATTENDU que le Commissaire des Douanes a demandé la mise en réserve d'un acre de terrain compris dans le quart nord-ouest de la section 10, township 1, rang 22, à l'ouest du 2e méridien, pour l'emplacement d'un bureau de douane à cet endroit;

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée,—

LE Ministre de l'Intérieur représente, le 15 février 1913, que Frank Miller a obtenu l'inscription de homestead et de préemption pour le quart sud-ouest de la section 34 et le quart sud-est de la section 33, dans le township 26, rang 28, à l'ouest du 3e méridien, le 11 avril 1912.

La preuve présentée démontre que l'inscrit a eu les deux mains amputées à la suite d'un accident dont il a été victime le 25 mai 1912, et qu'il est maintenant physiquement incapable de remplir les conditions d'établissement en rapport avec cette demi-section.

Le Ministre soumet une copie d'un certificat médical de J. P. DeRosiers, M.D., et en vue des faits qui y sont contenus il recommande que M. Frank Miller soit exempté de l'accomplissement des prescriptions de la *Loi des terres fédérales* en vertu des dispositions du paragraphe 2 de l'article 20, et du paragraphe 5 de l'article 27 du chapitre 20, 7-8 Edouard VII, afin que les lettres patentes de son homestead et de sa préemption puissent lui être accordées dès qu'il aura été prouvé, de la manière ordinaire, que les autres conditions de la loi ont été observées.

Le comité soumet cette recommandation pour approbation.

ATTENDU que par suite d'un nouvel arpentage inexact de la borne nord de la section 19, township 26, rang 6, à l'ouest du 2e méridien, le propriétaire du quart sud-est de la section 30, dans le dit township, a construit sa maison sur la réserve de chemin établie par le premier arpentage ;

Et attendu qu'afin de réparer cette erreur il a été permis au propriétaire du quart nord-est de la section 19 de céder à la Couronne, pour le Canada, une partie de son homestead contenant deux acres et suffisante pour détourner la première réserve de chemin, afin que ce terrain soit transporté à la Couronne pour la province de la Saskatchewan dans le but d'y établir un chemin,—

Par conséquent, il plaît au Gouverneur général en conseil de décréter ce qui suit :

La Couronne est par ces présentes investie pour la province de la Saskatchewan, pour les fins d'un chemin, de cette partie du quart nord-est de la section 19, township 26, rang 6, à l'ouest du 2e méridien, plus minutieusement décrite comme suit :

Commençant au poteau et aux fosses marquant le coin nord-ouest du quart nord-est de la dite section 19 ; de là vers l'est le long de la borne nord de la dite section 19 sur une distance de 39 chaînes et 85 chaînons, plus ou moins, jusqu'au coin nord-est de la dite section 19 ; de là vers le sud le long de la borne est de la dite section 19 sur une distance d'une chaîne ; de là vers l'ouest en ligne droite sur une distance de 39 chaînes et 85 chaînons, plus ou moins, jusqu'au point de départ. PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 20 février 1913, que le titre de la moitié fractionnaire est de la section 34, township 48, rang 22, à l'ouest du 2e méridien, a été donné, par lettres patentes datées le 17 septembre 1901, à madame Elizabeth Jackson en sa qualité de représentant personnel de feu son mari, Thomas G. Jackson, qui avait obtenu l'inscription militaire de homestead pour ce terrain.

Le Ministre ajoute que vu le fait que M. Jackson, avant l'arpentage, avait fait certaines améliorations sur le quart fractionnaire nord-ouest de la dite section 34, situé au nord de la rivière, et que certaines parties de la moitié est de la dite section sont séparées du reste de la section par la branche sud de la rivière Saskatchewan, madame Jackson a demandé que le dit quart fractionnaire nord-ouest de la section 34, situé au nord de la rivière, lui soit cédé en échange des dites parties, dont la Couronne a été réinvestie et qui peuvent être décrites plus minutieusement comme suit :

Premièrement, toute cette partie du quart nord-est de la section 34, dans le township 48, rang 22, à l'ouest du 2e méridien, situé à l'est de la rive droite de la rivière Saskatchewan, ainsi qu'indiqué sur une carte ou un plan d'arpentage du dit township signé à Ottawa le 20e jour de juin 1895 par Edouard Deville, arpenteur général des terres fédérales, et déposé au Ministère de l'Intérieur, ce terrain contenant huit acres et quatre-vingt centièmes plus ou moins, et

Deuxièmement, toute cette partie de la moitié est de la dite section 34 située à l'ouest de la dite rive droite de la dite rivière, ainsi qu'indiqué sur le dit plan d'arpentage du dit township, contenant quarante-six acres et vingt centièmes, plus ou moins, et coloré vert sur le tracé ci-joint.

Etant d'avis que cette demande devrait être accordée, et la différence de 14 acres en superficie ayant été

payée au prix de \$3.00 l'acre, le Ministre recommande qu'en vertu des dispositions du paragraphe (f) de l'article 76 de la *Loi des terres fédérales* l'échange des terrains en question soit autorisé et que les lettres patentes soient accordées à madame Jackson, en sa qualité de représentant personnel de feu son mari, du dit quart fractionnaire nord-ouest de la section 34, township 48, rang 22, à l'ouest du 2e méridien, situé au nord de la rivière ; ce terrain peut être décrit plus minutieusement comme suit :

Toute cette partie du quart nord-ouest de la section 34, township 48, rang 22, à l'ouest du 2e méridien, située au nord de la rive gauche de la rivière Saskatchewan, ainsi qu'indiqué sur une carte ou un plan d'arpentage du dit township signé à Ottawa le 20e jour de juin 1895 par Edouard Deville, arpenteur général des terres fédérales, et déposé au Ministère de l'Intérieur. Ce terrain contient 69 acres, plus ou moins, et est coloré rose sur le tracé ci-joint.

SON ALTESSE ROYALE EN CONSEIL.

Le Ministre de l'Intérieur représente, le 20 février 1913, que certaines différences entre les arpentages par le gouvernement provincial et des arpentages par le gouvernement fédéral de terres concédées par la Couronne dans les sections 5, 6, 7 et 8, township 26, E. M. C., dans la municipalité de Chilliwack, Colombie-Britannique, ont causé un conflit d'intérêts entre un groupe de huit propriétaires qui y résident ;

Le Ministre ajoute que le résultat de l'enquête faite par des fonctionnaires du Ministère de l'Intérieur est que les intéressés ont, par entente mutuelle, exécuté quelque quinze transferts d'étendues fractionnaires de terrains, corrigeant ainsi les différences entre les diverses propriétés ;

Lewis Arthur Thornton, un des intéressés, a cédé trois acres de sa terre dans la subdivision légale 8 de la section 6, afin de permettre cette rectification, et il a été entendu avec les fonctionnaires du Ministère de l'Intérieur, conduisant les négociations, qu'en considération de cette cession il recevrait une partie disponible du quart nord-ouest de la section 4, dans le dit township (soit cette partie de l'étendue disponible du quart nord-ouest de la section 4 qui se trouve au sud de l'extension vers l'ouest de la ligne nord du lot provincial 439, groupe 2), couvrant une superficie d'environ 22.91 acres, plus ou moins, dont il acquerra le titre par voie d'achat au prix d'un dollar (\$1.00) l'acre ;

L'échange est justifié par le fait que les trois acres cédés par M. Thornton sont un riche terrain de fond, tandis que le terrain qu'il doit recevoir en échange est très élevé et accidenté et de peu de valeur, et parce qu'il était nécessaire, en tout cas, d'obtenir la cession de ces trois acres pour compléter la rectification mentionnée,—

Par conséquent, le Ministre recommande que la dite partie disponible du quart nord-ouest de la dite section 4 soit vendue à Lewis Arthur Thornton au prix de un dollar (\$1.00) l'acre.

Le comité soumet cette recommandation pour approbation.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

Le Ministre de l'Intérieur représente le 18 janvier 1913, que F. W. Anderson, ingénieur civil, de Kamloops, Colombie-Britannique, a demandé d'acheter aux conditions s'appliquant à la vente des terres pour l'irrigation certains terrains dans les townships 21 et 22, rang 17, et le township 22, rang 16, à l'ouest du 6e méridien, couvrant une superficie de 2,229 acres, plus ou moins, soit les terrains décrits dans l'annexe "A" ci-jointe ;

Les terrains demandés ont été inspectés par l'agent des terres fédérales, Kamloops, qui fait rapport que sans irrigation ils ne peuvent convenir à d'autres fins qu'au pâturage ;

Les terres demandées ont aussi été inspectées par l'ingénieur en chef du Service des levés hydrographiques de la zone des chemins de fer, qui fait rapport que l'irrigation est le meilleur moyen de développer ces terrains et de les cultiver et que sans eau ils ne seraient bons qu'au pâturage ; que ces terrains sont en partie découverts et en partie boisés de pin, et que par la sage application de bonnes méthodes d'irrigation on pourrait leur faire produire d'excellentes récoltes de fourrage et que les fruits y pourraient être avantageusement cultivés sur certains versants. L'ingénieur ajoute que la proposition de M. Anderson est faite de bonne foi, que son entreprise est

bien appuyée au point de vue financier, et qu'il a l'intention et est capable de développer lui-même ces terrains,—

En vue de ces rapports favorables, le Ministre demande l'autorisation de vendre à M. Anderson les terrains décrits à l'annexe "A" ci-jointe, aux conditions suivantes :

1. Le prix du terrain sera de \$1.00 l'acre, le premier paiement de 25 cents l'acre devant être fait lors de l'avis de vente, et la balance de 75 cents l'acre étant payable dès que les travaux d'irrigation auront été complétés de manière satisfaisante.

2. Au moins 35 pour cent des terres vendues doivent être couvertes par un système d'irrigation, à la satisfaction du Ministre, dans les deux ans qui suivra l'avis de vente, alors que les terrains ainsi traités seront vendus.

3. Le reste de ces terrains seront couverts d'un système d'irrigation, à la satisfaction du Ministre, dans les quatre ans qui suivront la date de la vente, alors que les terres ainsi traitées seront vendues.

4. Si 35 pour cent de ces terrains ne sont pas couverts par un système d'irrigation à la satisfaction du Ministre, dans les deux ans de l'avis de vente, la demande du requérant ne recevra plus aucune considération et il perdra tout intérêt dans le terrain et l'argent payé.

Le comité soumet cette recommandation pour approbation.

IL plaît au Gouverneur général en conseil de décréter ce qui suit :

L'article 6 des "Règlements régissant la location pour l'extraction de l'argile réfractaire et l'administration des terres scolaires dans les provinces de Manitoba, Saskatchewan et Alberta", établis par un arrêté en conseil du 19 octobre 1912, est par ces présentes rescindé et l'article suivant lui est substitué :

1. Le locataire d'une concession pour l'extraction de l'argile réfractaire érigera, dans les deux ans de la date du bail, sur les terrains qui y sont décrits ou sur des terrains approuvés par le Ministre, un outillage pour la fabrication de la brique ou autres produits de l'argile réfractaire et, dans le même délai, fournira la preuve par affidavit de la nature et de la valeur de l'outillage installé et de la date de l'installation.

Si l'outillage requis n'est pas installé dans le délai spécifié et si la preuve de son installation n'est pas fournie dans le même délai, le bail sera sujet à annulation à la discrétion du Ministre. Toutefois, le Ministre n'exigera pas que la valeur de l'outillage ainsi installé excède la somme de \$10,000.

2. Pendant chaque année de la durée du bail après la deuxième année le locataire d'une concession pour l'extraction de l'argile réfractaire devra fabriquer sur sa concession au moins 100,000 briques prêtes pour l'expédition, ou leur équivalent en d'autres produits de l'argile réfractaire, à la satisfaction du Ministre. Si pendant une année après la deuxième de la durée du bail le locataire ne fabrique pas les quantités spécifiées, ou ne prouve pas de manière satisfaisante qu'il l'a fait, le bail sera sujet à annulation immédiate à la discrétion du Ministre.

Les articles 13 et 14 des "Règlements régissant la location pour l'extraction de l'argile réfractaire et l'administration des terres scolaires dans les provinces de Manitoba, Saskatchewan et Alberta", établis par un arrêté en conseil du 19 octobre 1912, sont par ces présentes rescindés, les dispositions des dits articles 13 et 14 étant couvertes par les articles établis par ces présentes.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |

| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important* comme suit :—

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, et la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS Dr. R. G. Brett, of Banff, Alberta, has applied for the privilege of bottling the water of the Hot Sulphur Springs at Banff and of disposing of the same and of erecting a plant for the carrying on of this industry on lots 1 and 2, in Range 8, in the town-site of Banff, as shown on a plan of villa lots, sheet No. 2, approved and confirmed by Edouard Deville, on the 16th October, 1889 ;

And whereas it is provided under section 18 of The Forest Reserves and Parks Act, 1911, that the Governor in Council may make regulations for the leasing for any term of years of such parcels of land in the parks as he deems advisable in the public interest for the construction of buildings and for purposes of trade and industry,—

Therefore the Governor General in Council is pleased to order as follows :—

Dr. R. G. Brett, of Banff, Alberta, is hereby granted the privilege of bottling the water of the Hot Sulphur Springs at Banff and of disposing of the same and of erecting a plant for the carrying on of this industry on the lands above mentioned, for a period of twenty-five years from the first day of April, 1913, subject to the following provisos and conditions :—

4. That the lessee shall, within one year from the first day of April, 1913, erect a suitable building and instal machinery of a minimum capacity of two hundred car loads of the bottled product yearly.

5. That the building or buildings so to be erected shall be of artistic design approved by the Superintendent of the Park and shall be constructed and maintained in a manner satisfactory to the Superintendent.

6. That the plant shall be operated at all times in such a manner as not to create a nuisance or annoyance, the Minister of the Interior to be the final judge in all such matters.

7. That the lessee shall erect and maintain all fences, screens or other structure that may be deemed necessary by the Superintendent in connection with the protection of the interests of the park or of the public.

8. That each year the production of bottled water or its equivalent in concentrates by the lessee shall constitute such a proportion of the total capacity of the plant erected as the Minister of the Interior may require.

[434]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of March, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 20th February, 1913, that title to the fractional E. $\frac{1}{2}$ of Section 34, Township 48, Range 22, west of the Second Meridian, was, by letters patent bearing date the 17th September, 1901, vested in Mrs. Elizabeth Jackson in her capacity of personal representative of her late husband, Thomas G. Jackson, he having made military homestead entry therefor.

The Minister further states that,—as Mr. Jackson, prior to survey, located certain improvements on the fractional N.W. $\frac{1}{4}$ of the said Section 34, lying north of the river, and that certain portions of the E. $\frac{1}{2}$ of the said Section are separated by the south branch of the Saskatchewan River from the remainder,—Mrs. Jackson has applied to be given the said fractional N.W. $\frac{1}{4}$ of Section 34, lying north of the river, in exchange for the said portions which have been revested in the Crown and which may be more particularly described as follows :—

Firstly : all that portion of the north-east quarter of Section 34, in the forty-eighth Township, in the twenty-second Range, west of the Second Meridian, which lies to the east of the right bank of the Saskatchewan River as shown upon a map or plan of survey of the said Township, signed at Ottawa on the twentieth day of June, A.D. 1895, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior and containing by admeasurement eight and eighty hundredths acres, more or less, and

Secondly : all that portion of the east half of said Section thirty-four, which lies to the west of the said right bank of the said river as shown on said plan of survey of the said Township and containing by admeasurement forty-six and twenty hundredths acres, more or less, and as shown coloured green on the sketch hereto attached.

The Minister, being of opinion that the application should receive favourable consideration and the difference in area of 14 acres having been paid for at the rate of \$3.00 an acre, recommends that, under the provisions of subsection (f) of Section 76 of The Dominion Lands Act, an exchange of the parcels in question be authorized and that letters patent be issued to Mrs. Jackson in her capacity of personal representative of her late husband for the said fractional N.W. $\frac{1}{4}$ of Section 34, Township 48, Range 22, west of the Second Meridian, lying north of the river, which land may be more particularly described as follows :—

All that portion of the north-west quarter of Section thirty-four, in the forty-eighth Township, in the twenty-second Range, west of the Second Meridian, which lies to the north of the left bank of the Saskatchewan River as shown upon a map or plan of survey of the said Township, signed at Ottawa, on the twentieth day of June, A.D. 1895, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior and containing by admeasurement sixty-nine acres, more or less, and as shown coloured pink on the sketch hereto attached.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 22nd day of February, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS on account of an erroneous resurvey of the north boundary of Section 19, Township 26, Range 6, west of the Second Meridian, the owner of the south-east quarter of Section 30 in the said township built his house on the road allowance as established by the original survey ;

And whereas, in order to adjust the matter, the owner of the north-east quarter of section 19 was allowed to relinquish to the Crown in the right of the Dominion, a parcel of land out of his homestead containing 2 acres, sufficient to deflect the original road allowance, so that the said parcel might be conveyed to the Crown in the right of the Province of Saskatchewan for road purposes,—

Therefore the Governor General in Council is pleased to order as follows :—

All that portion of the north-east quarter of Section Nineteen, in the Twenty-sixth Township, in the Sixth Range, west of the Second Meridian, more particularly described as follows :—

“ Commencing at the post and pits defining the north-west corner of the north-east quarter of said Section Nineteen, thence easterly along the north boundary of said Section Nineteen a distance of thirty-nine chains and eighty-five links, more or less, to the north-east corner of said Section Nineteen ; thence southerly along the east boundary of said Section Nineteen a distance of one chain ; thence westerly in a straight line a distance of thirty nine chains and eighty-five links, more or less, to the point of commencement, and containing by admeasurement two acres, more or less, as shown coloured pink on the plan, hereto attached,”—is hereby vested in the Crown in the right of the Province of Saskatchewan, for road purposes.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 1st day of March, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 20th February, 1913, that certain discrepancies had arisen in connection with the surveys of land Crown granted by the Provincial Government and surveys made by the Dominion Government in Sections 5, 6, 7 and 8, Township 26, E. C. M., in the Municipality of Chilliwack, British Columbia, causing a conflict of interests between a group of eight owners of the ground ;

The Minister further states that investigation of the matter was made by officers of the Department of the Interior with the result that the various parties by mutual arrangement executed some fifteen transfers of fractional pieces of land rectifying the discrepancies between their various holdings ;

That Lewis Arthur Thornton, one of the parties affected, gave up and assigned 3 acres of his land in Legal Subdivision 8 of Section 6, for the purpose of the rectification and it was agreed by the officers of the Department of the Interior conducting the negotiations that in consideration of his doing so he was to receive an available portion of the north-west quarter of Section 4, in the said Township, (being that part of the available portion of the north-west quarter of Section 4 which is south of the extension westerly of the north line of Provincial Lot 439, Group 2), containing an area of approximately 22.91 acres, more or less, title to same to pass to him by way of purchase at one dollar (\$1.00) per acre ;

That the exchange was justified as the 3 acres given up by Mr. Thornton is valuable bottom land and the acreage he is to receive in exchange is of a high altitude and rough and of little value and because it was, in any event, necessary to secure the relinquishment of the 3 acres in order to complete the rectifications mentioned,—

The Minister, therefore, recommends that the said available portion of the north west quarter of Section 4 be sold to Lewis Arthur Thornton at one dollar (\$1.00) per acre.

The Committee submit the same for approval.

Clerk of the Privy Council.

And whereas the Minister of the Interior is of the opinion that the application should receive favourable consideration,—

Therefore His Royal Highness in Council is pleased to order that the land applied for, which is available according to the records of the Department of the Interior, be reserved during pleasure for the purposes of the Department of Customs ; the said land being more particularly described as follows :—

“ Commencing at a point on the south boundary of said quarter Section, distant three hundred and ninety-five feet and sixty-five hundredths of a foot measured easterly along the said south boundary from the south-west corner of the said quarter Section ; thence, northerly and parallel to the said west boundary a distance of two hundred and eight and seven-tenths feet ; thence, easterly and at right angles to the last course a distance of two hundred and eight and seven-tenths feet ; thence, southerly and at right angles to the last course a distance of two hundred and eight and seven-tenths feet, more or less, to the said south boundary ; thence, westerly, following the said south boundary a distance of two hundred and eight and seven-tenths feet, more or less, to the place of commencement, containing by admeasurement one acre, more or less, and as shown coloured pink on a sketch hereto attached.”

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 18th January, 1913, that an application has been made by F. W. Anderson, C.E., of Kamloops, British Columbia, to purchase on irrigation conditions certain lands in Townships 21 and 22, Range 17, and Township 22, Range 16, west of the 6th Meridian, comprising an area of 2,229 acres, more or less, and being the lands set out in the accompanying schedule marked “ A ” ;

That the lands applied for have been inspected by the Agent of Dominion Lands, Kamloops, who reported that, without irrigation, they are unsuitable for anything but grazing ;

That the lands applied for have also been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that the lands can best be developed and cultivated by irrigation and without water are suited only for grazing ; that they are partly open grazing lands and partly timbered with pine, and, by a careful application of water by irrigation methods, they may be made to produce excellent forage crops and on some sloping benches fruit could be advantageously grown. He also states that Mr Anderson's proposition is a *bona fide* one, that his financial backing is good, and that he intends to and is capable of developing the land himself,—

The Minister recommends, in view of these favourable reports, that he be authorized to sell Mr. Anderson the lands set out in schedule “ A,” hereto attached, on the following conditions :

1. The price of the land to be \$1.00 per acre, the first payment of 25 cents per acre to be made upon notification of sale, and the balance of 75 cents per acre payable upon the satisfactory completion of the irrigation scheme.

2. That at least 35% of the lands sold must be covered by an irrigation system satisfactory to the Minister within two years of notification of the sale, when the lands so covered will be sold.

3. That the remaining lands be covered by an irrigation system to the satisfaction of the Minister within four years from date of sale, when the lands so covered will be sold.

4. That if 35% of the lands are not covered by an irrigation system satisfactory to the Minister, within two years of notification of sale, no further consideration will be given his application and his interest in all the land and the moneys paid in will be forfeited.

The Committee submit the same for approval.

Lowering of water level.—Throughout the winter water will be drawn off through the sluices of the dam at the foot of the lake Timiskaming, so as to equalize the discharge of the Ottawa river, and this withdrawal will result in a lowering of the level of the lake to the extent probably of fifteen feet by 1st April.

Caution.—Owners of steamers and other vessels laid up for the winter on the lake are therefore warned to make such preparations as will prevent their boats while held in the ice from stranding and being injured when the water falls.

HOUSE OF COMMONS.

RULES RELATIVE TO PETITIONS AND PRIVATE BILLS.

Petitions for Private Bills.

88. Petitions for Private Bills shall only be received by the House if presented within the first six weeks of the session, and every Private Bill shall be presented to the House within two weeks after the petition therefor has been favourably reported upon by the Examiner or by the Committee on Standing Orders, and no motion for the suspension of this Rule shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension and giving their reasons therefor.

Instruction to Committees.

97. That it be an instruction to all Committees on Private Bills, in the event of promoters not being ready to proceed with their measures when the same have been twice called on two separate occasions for consideration by the Committee, that such measures shall be reported back to the House forthwith, together with a statement of the facts and with the recommendation that such Bills be withdrawn.

Deposit of Bills and Fees.

89. (1) Any person desiring to obtain any Private Bill, shall deposit with the Clerk of the House, at least eight days before the meeting of the House, a copy of such Bill in the English or French language, with a sum sufficient to pay for translating and printing the same; the translation to be done by the officers of the House, and the printing by the Department of Public

Printing, and if such Bill is not deposited by the time above specified the applicant shall, in addition to the charges for printing and translation pay the sum of five dollars for each and every day which intervenes between the said eighth day before the meeting of the House and the date of the filing of the Bill; but such additional charge shall not exceed in the aggregate in any one case the sum of two hundred dollars.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

SON ALTESSE ROYALE EN CONSEIL.

ATTENDU que le Docteur R. G. Brett, de Banff, Alberta, a demandé le privilège d'embouteiller et de vendre l'eau des sources sulfureuses thermales de Banff, et d'ériger un établissement pour l'exploitation de cette industrie sur les lots 1 et 2, rang 8, dans l'emplacement de ville de Banff, ainsi qu'indiqué sur un plan des lots de villas, feuille n° 2, approuvé et confirmé par Edouard Deville le 16 octobre 1889 ;

Et attendu que l'article 18 de la *Loi des réserves forestières et des parcs fédéraux, 1911*, stipule que le Gouverneur en conseil peut faire des règlements pour le louage pour tout terme d'années de tels lopins de terre dans les parcs qu'il juge à propos, dans l'intérêt public, pour la construction de bâtiments et pour des fins commerciales et industrielles,—

Par conséquent, il plaît au Gouverneur général en conseil de décréter ce qui suit :

Le privilège est par ces présentes accordé au Docteur R. G. Brett, de Banff, Alberta, d'embouteiller et de vendre l'eau des sources sulfureuses thermales de Banff et de construire un établissement pour l'exploitation de cette industrie sur les terrains ci-dessus mentionnés, pendant une période de vingt-cinq ans à partir du 1er jour d'avril 1913, subordonné aux stipulations et conditions suivantes :

1. Les droits accordés par ces présentes seront en tout temps subordonnés aux exigences du gouvernement en ce qui concerne l'approvisionnement d'eau thermale pour ses établissements balnéaires ou autres fins, ainsi qu'aux concessions d'eau thermale que peut avoir fait le Ministère de l'Intérieur avant que ces droits aient été accordés.

2. Le dit Ministère a le droit de déterminer, d'après la quantité d'eau dans les sources à différentes saisons de l'année, la quantité d'eau qui sera employée.

3. L'eau thermale accordée au locataire servira à l'embouteillage et la concentration, et à aucune autre fin sans le consentement écrit du Ministre de l'Intérieur.

38-1

4. Le locataire érigera, dans le cours de l'année qui suivra le 1er avril 1913, un bâtiment convenable et installera des machines d'une capacité annuelle d'au moins deux cents chargements de wagon du produit embouteillé.

5. Les constructions seront érigées d'après un plan artistique approuvé par le surintendant du parc et seront entretenus à la satisfaction du surintendant.

6. L'exploitation se fera en tout temps de manière à ne créer aucune nuisance ou embarras, le Ministre de l'Intérieur étant le juge en dernier ressort dans toutes ces questions.

7. Le locataire érigera et entretiendra toutes clôtures, tous abris ou autres constructions que le surintendant du parc peut juger nécessaire pour la protection des intérêts du parc et du public.

8. Chaque année la production par le locataire d'eau embouteillée ou son équivalent en concentrés constituera telle proportion de la capacité totale de l'établissement que le Ministre de l'Intérieur exigera.

9. Le locataire paiera à la Couronne, sur toute eau fournie, un droit d'un demi-cent le gallon, ou son équivalent si l'eau est concentrée, le paiement de ce droit devant commencer le 1er jour de janvier 1915.

10. Le locataire présentera au Ministère de l'Intérieur des rapports trimestriels assermentés indiquant toutes les opérations et fera les paiements des droits dus sur ces opérations le 31 décembre, le 31 mars, le 30 juin et le 30 septembre de chaque année.

11. Afin de calculer les droits à percevoir le dit Ministère aura accès en tout temps aux livres et papiers du locataire.

12. Le locataire ne peut céder le bail du terrain en question ou les droits accordés par ces présentes sans le consentement écrit du Ministre de l'Intérieur.

13. Le Ministre peut cesser de fournir l'eau au locataire dès que ce dernier néglige de se conformer promptement aux instructions raisonnables des fonctionnaires du gouvernement en ce qui concerne les droits conférés par ces présentes.

14. Toute infraction des dispositions de ce contrat rendra les droits accordés par ces présentes sujets à annulation.

Et attendu qu'afin de réparer cette erreur il a été permis au propriétaire du quart nord-est de la section 19 de céder à la Couronne, pour le Canada, une partie de son homestead contenant deux acres et suffisante pour détourner la première réserve de chemin, afin que ce terrain soit transporté à la Couronne pour la province de la Saskatchewan dans le but d'y établir un chemin,—

LE Ministre de l'Intérieur représente, le 20 février 1913, que le titre de la moitié fractionnaire est de la section 34, township 48, rang 22, à l'ouest du 2e méridien, a été donné, par lettres patentes datées le 17 septembre 1901, à madame Elizabeth Jackson en sa qualité de représentant personnel de feu son mari, Thomas G. Jackson, qui avait obtenu l'inscription militaire de homestead pour ce terrain.

Le Ministre ajoute que vu le fait que M. Jackson, avant l'arpentage, avait fait certaines améliorations sur le quart fractionnaire nord-ouest de la dite section 34, situé au nord de la rivière, et que certaines parties de la moitié est de la dite section sont séparées du reste de la section par la branche sud de la rivière Saskatchewan, madame Jackson a demandé que le dit quart fractionnaire nord-ouest de la section 34, situé au nord de la rivière, lui soit cédé en échange des dites parties, dont la Couronne a été réinvestie et qui peuvent être décrites plus minutieusement comme suit :

Premièrement, toute cette partie du quart nord-est de la section 34, dans le township 48, rang 22, à l'ouest du 2e méridien, situé à l'est de la rive droite de la rivière Saskatchewan, ainsi qu'indiqué sur une carte ou un plan d'arpentage du dit township signé à Ottawa le 20e jour de juin 1895 par Edouard Deville, arpenteur général des terres fédérales, et déposé au Ministère de l'Intérieur, ce terrain contenant huit acres et quatre-vingt centièmes plus ou moins, et

Deuxièmement, toute cette partie de la moitié est de la dite section 34 située à l'ouest de la dite rive droite de la dite rivière, ainsi qu'indiqué sur le dit plan d'arpentage du dit township, contenant quarante-six acres et vingt centièmes, plus ou moins, et coloré vert sur le tracé ci-joint.

Etant d'avis que cette demande devrait être accordée, et la différence de 14 acres en superficie ayant été

payée au prix de \$3.00 l'acre, le Ministre recommande qu'en vertu des dispositions du paragraphe (f) de l'article 76 de la *Loi des terres fédérales* l'échange des terrains en question soit autorisé et que les lettres patentes soient accordées à madame Jackson, en sa qualité de représentant personnel de feu son mari, du dit quart fractionnaire nord-ouest de la section 34, township 48, rang 22, à l'ouest du 2e méridien, situé au nord de la rivière; ce terrain peut être décrit plus minutieusement comme suit :

Toute cette partie du quart nord-ouest de la section 34, township 48, rang 22, à l'ouest du 2e méridien, située au nord de la rive gauche de la rivière Saskatchewan, ainsi qu'indiqué sur une carte ou un plan d'arpentage du dit township signé à Ottawa le 20e jour de juin 1895 par Edouard Deville, arpenteur général des terres fédérales, et déposé au Ministère de l'Intérieur. Ce terrain contient 69 acres, plus ou moins, et est coloré rose sur le tracé ci-joint.

La preuve présentée démontre que l'inscrit a eu les deux mains amputées à la suite d'un accident dont il a été victime le 25 mai 1912, et qu'il est maintenant physiquement incapable de remplir les conditions d'établissement en rapport avec cette demi-section.

Le Ministre soumet une copie d'un certificat médical de J. P. DeRosiers, M.D., et en vue des faits qui y sont contenus il recommande que M. SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 20 février 1913, que certaines différences entre les arpentages par le gouvernement provincial et des arpentages par le gouvernement fédéral de terres concédées par la Couronne dans les sections 5, 6, 7 et 8, township 26, E. M. C., dans la municipalité de Chilliwack, Colombie-Britannique, ont causé un conflit d'intérêts entre un groupe de huit propriétaires qui y résident ;

Le Ministre ajoute que le résultat de l'enquête faite par des fonctionnaires du Ministère de l'Intérieur est que les intéressés ont, par entente mutuelle, exécuté quelque quinze transferts d'étendues fractionnaires de terrains, corrigeant ainsi les différences entre les diverses propriétés ;

Lewis Arthur Thornton, un des intéressés, a cédé trois acres de sa terre dans la subdivision légale 8 de la section 6, afin de permettre cette rectification, et il a été entendu avec les fonctionnaires du Ministère de l'Intérieur, conduisant les négociations, qu'en considération de cette cession il recevrait une partie disponible du quart nord-ouest de la section 4, dans le dit township (soit cette partie de l'étendue disponible du quart nord-ouest de la section 4 qui se trouve au sud de l'extension vers l'ouest de la ligne nord du lot provincial 439, groupe 2), couvrant une superficie d'environ 22.91 acres, plus ou moins, dont il acquerra le titre par voie d'achat au prix d'un dollar (\$1.00) l'acre ;

L'échange est justifié par le fait que les trois acres cédés par M. Thornton sont un riche terrain de fond, tandis que le terrain qu'il doit recevoir en échange est très élevé et accidenté et de peu de valeur, et parce qu'il était nécessaire, en tout cas, d'obtenir la cession de ces trois acres pour compléter la rectification mentionnée,—

Par conséquent, le Ministre recommande que la dite partie disponible du quart nord-ouest de la dite section 4 soit vendue à Lewis Arthur Thornton au prix de un dollar (\$1.00) l'acre.

Le comité soumet cette recommandation pour approbation.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente le 18 janvier 1913, que F. W. Anderson, ingénieur civil, de Kamloops, Colombie-Britannique, a demandé d'acheter aux conditions s'appliquant à la vente des terres pour l'irrigation certains terrains dans les townships 21 et 22, rang 17, et le township 22, rang 16, à l'ouest du 6e méridien, couvrant une superficie de 2,229 acres, plus ou moins, soit les terrains décrits dans l'annexe "A" ci-jointe ;

Les terrains demandés ont été inspectés par l'agent des terres fédérales, Kamloops, qui fait rapport que sans irrigation ils ne peuvent convenir à d'autres fins qu'au pâturage ;

Les terres demandées ont aussi été inspectées par l'ingénieur en chef du Service des levers hydrographiques de la zone des chemins de fer, qui fait rapport que l'irrigation est le meilleur moyen de développer ces terrains et de les cultiver et que sans eau ils ne seraient bons qu'au pâturage ; que ces terrains sont en partie découverts et en partie boisés de pin, et que par la sage application de bonnes méthodes d'irrigation on pourrait leur faire produire d'excellentes récoltes de fourrage et que les fruits y pourraient être avantageusement cultivés sur certains versants. L'ingénieur ajoute que la proposition de M. Anderson est faite de bonne foi, que son entreprise est

bien appuyée au point de vue financier, et qu'il a l'intention et est capable de développer lui-même ces terrains,—

En vue de ces rapports favorables, le Ministre demande l'autorisation de vendre à M. Anderson les terrains décrits à l'annexe "A" ci-jointe, aux conditions suivantes :

1. Le prix du terrain sera de \$1.00 l'acre, le premier paiement de 25 cents l'acre devant être fait lors de l'avis de vente, et la balance de 75 cents l'acre étant payable dès que les travaux d'irrigation auront été complétés de manière satisfaisante.

2. Au moins 35 pour cent des terres vendues doivent être couvertes par un système d'irrigation, à la satisfaction du Ministre, dans les deux ans qui suivra l'avis de vente, alors que les terrains ainsi traités seront vendus.

3. Le reste de ces terrains seront couverts d'un système d'irrigation, à la satisfaction du Ministre, dans les quatre ans qui suivront la date de la vente, alors que les terres ainsi traitées seront vendues.

4. Si 35 pour cent de ces terrains ne sont pas couverts par un système d'irrigation à la satisfaction du Ministre, dans les deux ans de l'avis de vente, la demande du requérant ne recevra plus aucune considération et il perdra tout intérêt dans le terrain et l'argent payé.

Le comité soumet cette recommandation pour approbation.

1. Le locataire d'une concession pour l'extraction de l'argile réfractaire érigera, dans les deux ans de la date du bail, sur les terrains qui y sont décrits ou sur des terrains approuvés par le Ministre, un outillage pour la fabrication de la brique ou autres produits de l'argile réfractaire et, dans le même délai, fournira la preuve par affidavit de la nature et de la valeur de l'outillage installé et de la date de l'installation.

Toutefois, le Ministre n'exigera pas que la valeur de l'outillage ainsi installé excède la somme de \$10,000.
